## **Notes**

Note (1): Features of MyLongTermCare Plus that deviate from MyLongTermCare are in square brackets [...].

Note (2): Activities of Daily Living: Washing, Dressing, Feeding, Toileting, Walking or Moving Around and Transferring.

Note (3): For GREAT CareShield Advantage, initial lump sum benefit may be paid again for subsequent episodes of mild disability, if such subsequent disabilities do not arise from or are not related to the original cause of disability(ies) for which there was a previous claim.

Note (4): For GREAT CareShield Enhanced, if Life Assured suffers from an inability to perform 2 ADLs, policyholder will receive 50% of the monthly benefit. If Life Assured suffers from an inability to perform at least 3 ADLs, policyholder will receive 100% of monthly benefit. For GREAT CareShield Advantage, if Life Assured suffers from an inability to perform at least 2 ADLs, policyholder will receive 100% of monthly benefit.

Note (5): If Life Assured suffers from an inability to perform 2 ADLs, policyholder will receive 100% of monthly benefit. If Life Assured suffers from an inability to perform at least 3 ADLs, policyholder will receive 100% of monthly benefit less the CareShield Life benefit that applies to the policyholder.

Note (6): Monthly benefit will begin after a deferment period of 90 days from the claim date (inclusive). A deferment period is required to ensure that the assessed disability is not temporary.

Note (7): Premiums are inclusive of GST and rounded to the nearest dollar. All indicated ages are as of last birthday. Premiums for male and female policyholders are indicated by (M) and (F) respectively. Premiums are non-guaranteed and are subjected to adjustment based on future experience. Indicated premiums are not final and may be subjected to loading. Please approach the respective insurers for detailed information on premium pricing.
