

CareShieldLife

CARING FOR YOU, FOR LIFE

Many of us will need long-term care because of severe disability in old age

If you were born in **1980** or later, you will automatically join CareShield Life from **1 Oct 2020** or when you turn **30**

UNIVERSAL COVERAGE

You will be included even if you have pre-existing medical conditions and/or disabilities

1 Lifetime cash payouts

As long as you need help with 3 Activities of Daily Living (ADLs)

Feeding

Dressing

Toileting

Washing

Walking or moving around

Transferring from bed to chair and vice versa

2

Payout starts at \$600/month in 2020 and increases annually until age 67 or when a successful claim is made

3

Government subsidies to make premiums affordable

No one will lose coverage because of an inability to pay premiums

4

Premiums can be fully paid by **MediSave**

If you were born in 1979 or earlier

- You can choose to join CareShield Life closer to end-2021, if you are not severely disabled.
- You can enjoy participation incentives of up to \$2,500, if you join by end-2023. The Merdeka and Pioneer Generation seniors will receive an additional \$1,500.
