CareShieldLife

**CARING
FOR YOU,
FOR LIFE**

As our population ages, more Singaporeans will need long-term care. The Ministry of Health is introducing 3 new measures to **make long-term care more affordable for all Singaporeans.**

If you were born in
1979
or earlier

- Your current ElderShield plans will continue to protect you.
- You can choose to join CareShield Life if you have not developed severe disability.
- You can enjoy participation incentives of up to \$2,500, if you join by end-2023. The Merdeka and Pioneer Generation seniors will receive an additional \$1,500.

CareShield Life

is a long-term care insurance scheme that will support the basic long-term care needs of Singaporeans who develop severe disability.

In addition to CareShield Life, Singaporeans can also benefit from two new measures starting 2020

CareShield Life will provide better protection and assurance in **4** ways

1 Lifetime cash payouts
For as long as you have severe disability

2 Payout starts at \$600/month in 2020 and increases annually until age 67 or when a successful claim is made

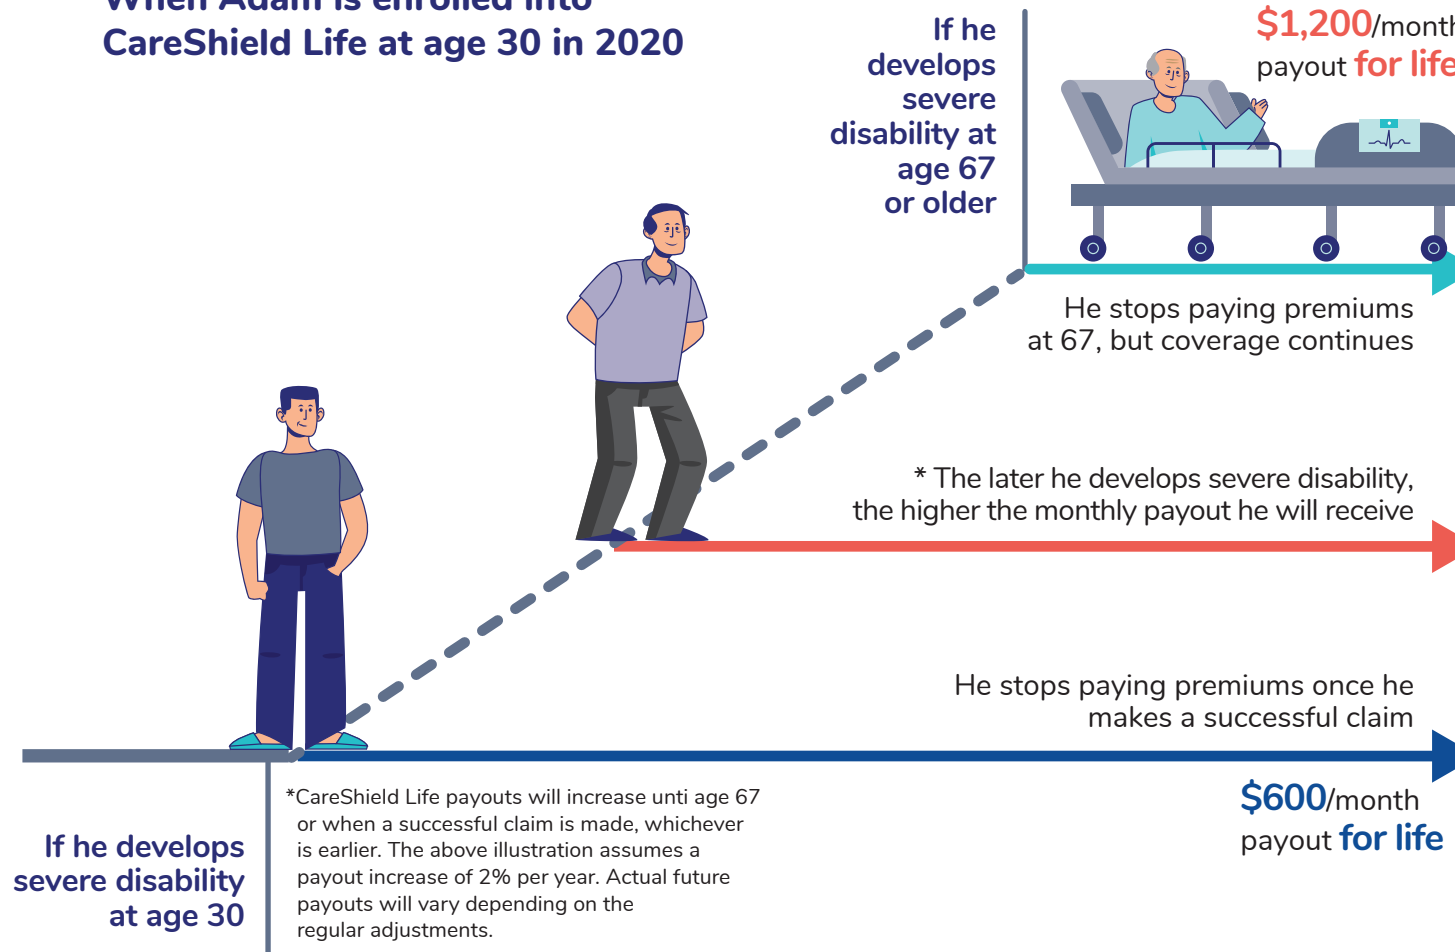

3 Government subsidies to make premiums affordable
No one will lose coverage because of an inability to pay premiums

4 Premiums can be fully paid by MediSave

When Adam is enrolled into CareShield Life at age 30 in 2020

MediSave Care
from 1 Oct 2020

NEW

Cash withdrawal

Up to **\$200** per month from MediSave for those who have developed severe disability

ElderFund
