

# CARING FOR YOU, FOR LIFE

As our population ages, more Singaporeans will need long-term care. The Ministry of Health is introducing 3 new measures to **make long-term care more affordable for all Singaporeans.**

1

NEW

## CareShieldLife

### Lifetime cash payouts

For as long as you are severely disabled

### Starting payouts increase over time

From **\$600/month** in 2020

Government Subsidies to make premiums **affordable**

Premiums can be fully paid by **MediSave**

2

NEW

## MediSave for Long-Term Care

### Cash withdrawal

up to **\$200** per month from MediSave for those who are severely disabled

3

NEW

## ElderFund

Assistance for **lower-income Singaporeans** who are severely disabled

Up to **\$250** per month to help with long-term care needs

## Other Existing Government Schemes and Subsidies
